COMPETITIONS – UNIFORM REQUIREMENTS

We offer competitive opportunities to our athlete's in the spark squad, lightning program and the Free G program. At Roleystone gymnastics club we enter events that are fun, friendly and match the values of our club. We do not pressure our athletes to compete for results or medals. We love spending time with our athletes on competition days and making wonderful memories with them. Competitions usually run over the weekend and are 3 or 4 hours on the day of the event. Days and times are released around three weeks before the event. No refunds will be given if the event time is not convenient for you, they are only given if a doctors note is provided and is in before the cut off date.

UNIFORMS & MERCHANDISE

At Roleystone Gymnastics Club we try to keep the cost of uniforms as low as possible.

Our competitive classes require a club leotard and club jacket, but families can purchase any black pants that are within their budget. Some gym-sports require extra items like longs or shorts. Competitive requirements can be found on page 8.

We have several different training options available, anything from shorts to hoodies. All items are reasonably priced and optional. Athletes are encouraged to wear leotards to training classes, but can choose to wear singlets and shorts instead. This is fine but, all attire needs to be tight fitting with no jewelry or watches, for safety reasons.

To purchase any of our uniforms or merchandise, you will need to place an order through our online store on our website. This is the only way you can pre-order our items. Please make sure you allow 6 weeks for your items as we do not carry stock in all sizes and styles.

IMPORTANT

COMPETITIONS EXPECTATIONS

Before entering competitions, please make sure you have read and agree to all our competition expectations.

- ❑ All competition athletes must have all term fees and registrations paid in full.
- ❑ Competing athletes must have, or be prepared to purchase the required competition uniforms, these uniforms are not optional.
- ❑ Some events require clubs to supply volunteers, just like football, tee-ball and athletics. We ask one family to volunteer for one event each year. If a volunteer can't be sourced from competing families, RGC will supply a paid RGC staff member, and will split the cost between the families who did not offer to volunteer. If all families have offered to volunteer and the club needs another it is expected that families will volunteer more than once, as necessary.
- ❑ RGC expects all athletes, parents, guardians and supporters to show positive sportsmanship at all times. Judges, coaches and officials should never be approached during a competition. This means parents are not allowed on the floor of a competition for any reason.

FEES, PAYMENTS AND REGISTRATION COSTS

Our term fees are based on the number of hours an athlete does per week and the number of weeks in a term. All term fees need to be paid by the start of week 2 of each term, or before your second lesson if starting later in the term. Members who do not pay by this time will be reported to the committee and class restrictions will apply until fees are paid. We do not refund for absent classes. Athletes that do not start at the beginning of the term will only be charged for the remaining lessons left.

Payments can be made via bank transfer, Credit card (through your customer portal) or cash at the gym. We do not have EFTPOS facilities available. All athletes are required to pay an annual registration fee. This fee goes directly to Gymnastics Australia and covers the cost of your national membership and insurance until the 31st December of the year you join.

Discounts are based on an hourly price and available for athletes that are registered for multiple classes.

Each term we roll over class enrolments two weeks before the end of term. Families have up until this time to advise of class/day/time changes needed. If a class you want is not available, you have an option to stay in your current class and go on a waiting list. You will be on the priority list for a space in that class and will be notified if a spot becomes available. As the new year approaches each member must re-register to secure your place for the following year.

COMMON QUESTIONS

WHAT IF I MISS A LESSON ? Makeup classes are available for athletes who have medical certificate's, school functions or serious reason for missing classes. Because of our strict ratio's, we can only offer makeup lessons in classes that are not already full. You are able to choose another style of class if there is no other option available for the class that you are missing. E.g. you may choose to do a one-off FREEG class for your missed tumble class, a make-up class will need to match hour for hour. Please note that age limits, and class restrictions still apply if your child is a beginner tumbler, they can not do a make-up class in advance tumble. Make-ups can be booked online through the customer portal. Athlete absences must be recorded via the portal for your make up lesson to be activated. Make-up lessons can not be offered to those who have not paid term fees in full.

Enrolments

Once you have found the classes you want to enrol in, you will need to head to our website to sign up. Once signed up, you can come and trial your chosen class/es. We will send you a confirmation of enrolment, term invoice, and customer portal registration after we process your enrolment. Please note this may take 24 hours to get to you. We do not offer free trial classes at RGC, the cost of your first class will be included in your term fees. If for whatever reason you decide the class isn't right for you, we won't charge you for that lesson.

****if you come to 2 or more consecutive sessions you will be charged.**

Our classes do fill up fast each term, and sometimes we don't have classes to fit everyone's schedule available. If this is the case, you can join our class waiting list. We can contact you if a place becomes available in your chosen class. You can join our waiting list any time via the portal.

We hope you found this pack a valuable source of information, and we sincerely hope you choose our club in the future. Please contact us if there are any unanswered questions.
